Notification dated 16th May 1945.

Subject:—Export of Gingelly seeds outside the State.

No. D2. 1889—44-45. It is hereby notified for the information of the public that it has been decided to allow export of a limited quantity of Til or Gingelly Seeds outside the State. District quotas current up to the end of October 1945 have been fixed and communicated to the Deputy Commissioner's who have been empowered to call for applications and grant export permits after actual verification of stocks.

Intending applicants must apply with full particulars to the Deputy Commissioners concerned. And no note will be taken of applications received in this office.

The export of Gingelly seeds will be strictly banned from November 1945 as continued export of the commodity is not likely to stimulate the local industry to undertake crushing. As the Madras Government have banned the export of Gingelly oil into the State, it is all the more necessary to conserve seed as well as oil and stimulate local crushing.
